DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF PORTO ALEGRE, RS, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

I deposit My Love upon you as new wine in wineskins restored by the Infinite Light of My Son.

The Merciful Love of the Father is the one that allows to generate the redemption of your lives and the constant renewal of your spirits.

The love I shed upon you is like the new wine...

It is through the most sacred Love of the Father that the good souls encourage themselves to take the step towards conversion and thus cross all the thresholds of the consciousness in order to be able to be in My Son.

The love I shed upon you is like the new wine...

Through the peace in the hearts good fortresses are built and they feel fulfilled to be in the Lord.

The love I shed upon you is like the new wine...

I leave in each heart the spark of truth and unity so that in some moment the hearts be able to recognize that everything in life has a meaning within the plans of God.

The love I shed upon you is like the new wine...

From time to time Your Heavenly Mother renews everything for the souls to feel that everything has a greater Purpose and that nothing is left behind.

The love I shed upon you is like the new wine... for you to live the codes of Christ and this way experience the fullness of His Love for all of humanity.

I thank you for responding to My Call!

Who unifies you in the Lord,

Your Mother Mary, Rose of Peace
