DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED ON THE EAGLE OF LIGHT DURING THE TRIP FROM THE CITY OF PORTO ALEGRE, RS, TO THE CITY OF FLORIANOPOLIS, SC, BRASIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

My children:

While your hearts and lives purify themselves, I call you to live the spirit of inner transcendence, an act of love to surpass all the tests and internal difficulties. That is why, dear children, I offer you My Immaculate and Maternal Heart as a safe refuge during the inner cycles of the storm.

My Grace gathers you every day and I come for you to accept My Immaculate Heart as a protective shield against all evil and as the source of the Love of God for the world. Enter My Heart through prayer and vivify at this time the light of the attributes that I want to shed over you.

To consecrate yourself to My Maternal Heart is the first step of the praying soul, for afterwards sharing with Your Heavenly Mother the Gifts of God until now unknown by all.

While you study on Earth at the school of self-purification, dear children, unite your hands as brothers and sisters and implore for My Chaste Heart to help you at this acute time on Earth.

By working in your daily consecration to My Immaculate Heart, you will allow Your Heavenly Mother to intercede for humanity at this time.

Just as it was in the beginning of the daily messages of peace, after so long I leave you basic keys to work until the end of your days in the consecration to the Maternal Heart of Mary. These principles of a good Christian are also considered for those who consecrate themselves as Children of Mary.

The seven principles to consecrate oneself to the Immaculate Heart of Mary every day are as follows:

1. To have a life of prayer.
2. To be a peace maker.
3. To commune daily with Christ.
4. To perform an act of mercy a day, be it to serve, to help, to take care of the sick people, to visit those who are imprisoned in jail, or to help those lost by drugs.
5. To pray a mystery of the Holy Rosary for peace.
6. To confess faults regularly to the Sacred Heart of Jesus be it with a priest or in profound solitude.
7. To welcome a pilgrim giving them repose and shelter on the way.

These seven principles were taught to the eleven apostles, after the Assumption of Your Heavenly Mother. It was the merciful legacy that Mary left you to live the apostleship of Christ.

I thank you for responding to My call!

Who loves you infinitely,

Your Mother Mary, Rose of Peace
