DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF PORTO ALEGRE, RS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS?

Do not be afraid of the harassment of the enemy. Instead be consequent with your own faith and you will balance the evil that the darkness imprints in the world with the potency of the Love of Christ in your heart.

Do not be afraid of the threats made by the enemy, because your perseverance in Christ will make your destiny a victory of God, no matter what that may be.

Child, occupy yourself by being in truth. Occupy yourself in deepening your union with the Father. Occupy yourself in growing rapidly to be worthy of inheriting the establishment of the Kingdom of God in the world. Occupy yourself in making your life a witness of the true miracle of Christ, which is the transformation of essences and the redemption of consciousnesses.

Your protection lies in the union with God.

The victory of Christ in you only depends on your surrender and on your perseverance because the Lord has open arms before your heart and He offers everything to you so that you may be like Him, so that you may love like He loved and so that you may discover the truth about yourself, just as He discovered in His transfiguration.

Recognize that evil exists and be vigilant but, above all, know that your attention must be upon the triumph of the Creator and upon your effort for this triumph to be true.

You must have your heart as pure as that of a child, but as wise as an elder. Everything depends on where you will place your own consciousness.

Do as My Chaste Heart: in the face of the atrocities of the world and of the greatness of the celestial mysteries that I lived by the side of My Son and My Holy Spouse Mary, I chose humility so that the atrocities would be converted by the greatness of love and the mysteries would be revealed in the passivity of silence.

Your heart must be in the evils as well as in the mysteries. However, you will treat each one with the virtue that corresponds to it.

Your Father and Companion,

The Most Chaste Saint Joseph
