**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF PORTO ALEGRE,  
RS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

**Prayer of Trust in the Designs of God**

**I trust in the Will of the Creator of all things,  
that made me be born as an essence in the heart of the universe  
and makes me be born again, each day,  
in the depths of His Most Sacred Heart.**

**I trust in His Justice, as in His Mercy,  
and I know that He will always guide me along the path  
of light and good for my inner growth.**

**I trust in the fidelity of The Sacred Hearts towards humanity,  
and I know that, responding to such Grace  
of the permanent guidance of the Messengers of God,  
my life will always be a manifestation of the Divine Will.**

**I trust in the Power of God,  
and I know that from my faith will be born the perseverance  
to understand the future times, the present  
and the experiences of the past.**

**I trust in the return of Christ,  
and I am willing to be His instrument within the world,  
a heart that, in spite of being small,  
will let itself turn into a living miracle,  
a fruit of the spiritual presence of the Redeemer among humankind.**

**I trust that Grace is true and that it descends upon me  
each time I offer my heart to receive it.**

**Therefore, I repeat, and, with love, I announce to the world  
that I trust in the Designs of the Creator,  
I trust in His Work and I know that He will make my days full of His  
Presence.**

**In trial or in Grace,  
in mercy or in Justice,  
in joy or in surrender,**

**I trust, Lord, that You are with me  
and that I will always be your faithful servant.**

**Amen.**

Trust that, despite the events of the world, the Lord will guide your steps.

Trust that all the tests come for your growth.

Trust that surrender and defeat are the doors to humility, because the heart that is not defeated many times, is not able itself to be filled by Christ.

Do not allow yourselves to become frustrated, upset or discouraged because the events do not flow as you expect. If you do what We tell you and follow the guidelines of Those who see all things, although you live in the same school as all human beings, you will understand them in a different way. And you may live the same trial as other thousands of brothers and sisters of yours, but with your spirit full of God and your heart filled with faith.

For many, you will seem to be crazy and you will take your own strengths from human weakness to raise not only yourselves from the ground, but also other millions of fellow beings that have forgotten to be in God.

Trust in the Creator and, if you follow His Designs, do not fear anything. Rather, fear yourselves and take care not to let yourself be deceived.

Those who have faith will persevere. Those who do not have it, but want to find it, will find it out. And those who do not want to listen to God will wait on the ground for a hand to help them.

Children, will you want to be with your hand up, for you to be raised from the ground, or will you be with Us on the Heights, with your hands outstretched downwards, helping the neighbor? Each one will put themselves at the level that they choose to be.

The destiny of each being is mapped out first by themselves, later by God, because even the Creator respects the free will of human beings.

Your Father and Friend,

The Most Chaste Saint Joseph
