**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

As the Lady of Divine Defense, today I call you to pray for the protection of the Marian Centers and especially, for My National Marian Center of Luján that in these days has experienced critical situations.

Therefore, My children, with the flag of peace in My hands, I invite you to pilgrimage, out of love, to the homes most in need in this region, and through service and giving, to supply that which My children from the region of Luján may need.

Dear children, My Marian Centers are in your hands and God contemplates the honorable grace that all My children can offer and perform through service of help and prayer to those most in need. Today I not only invite you to prayer, but also to serve in the end of these times.

My Son calls you all to be merciful and the hour has now come to surrender everything to the Lord for the salvation of souls.

Children of My Son Jesus, sheep of His beloved flock, as the Universal Mother and the Mother of Perpetual Help, I am calling you to pray for the Centers of Peace and also to serve, in a selfless and true way, My children that during these days have suffered the consequences of the flood in their homes and families, but above all, within their hearts. In reverence I call you all to be conscious and collaborate in My universal task of salvation.

Dear children, My Protecting Mantle of Mercy and Love is over you. I pray for you perpetually. I pray for you asking God for your salvation, asking for His Mercy. Time runs fast and humanity must pray more to prevent irreparable events.

Therefore, My children, I am with you, walking as Mother, step by step, by your side and as the Guardian of Faith for your hearts.

Dear children, we are in the time of the purification of the mind and heart. Therefore I invite you to pray sincerely because in this way you will be protected under My Maternal Light.

Dear children, opening My arms to help all souls, especially the Sanctuary of Luján, I ask you on this day to pilgrimage serving God and giving your love to your brothers and sisters, faithful devotees of My Immaculate Heart.

I ask you to go to Luján on these days to bring the love of My Resurrected Son, and also so that your hands may donate charity and humility to those who have been affected by the storm that took place in that region.

Dear children, you will have two tasks to accomplish before God:

To serve the brothers and sisters of Luján and pray with them so that the hearts of My children are repaired. I will thank you for responding to this important call.

To meet with Me in My monthly apparition that will take place on the 3rd of this month in the city of Buenos Aires, at 7:30 p.m., when My Maternal Heart will prepare your hearts and hands to go and serve Luján in the name of Christ. This task of service will continue until when your hearts indicate to you.

Dear children, will you help Me?

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity

The Lady of Divine Defense
