DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS???

Dear companions of My Chaste Heart,

As a servant and tireless missionary of God, I come to the world to make a petition to all the spirits who aspire to awaken to service. I come to ask you for the foundation of the Planetary Mission Network. May the Fraternidade - International Humanitarian Federation, as the heart which unites all the streams of light that expand themselves through the Earth, gather all those praying beings who also have spiritual, mental, emotional and physical availability for an active service.

In this way, in each region of the planet where there is a group of the Network-of-Light, there must also exist a group of Missionaries of Peace in training. This group can be formed by members of different praying groups in each region, and even by the souls that will awake through selfless service.

Each group of the Missionary Network must pass through a training proposed by the Fraternidade - International Humanitarian Federation, which must contain the basic course of first aiders and other in-depth studies in the areas of rescue and nursing.

The Missionary Network groups can be heterogeneous, and each member will contribute with their virtue, to compose the group dynamics.

The groups of the Missionary Network in each region should meet in a Missionary Meeting twice a year, in the Marian Center of Figueira, where they will deepen their learning with the main Missionary of Peace group and in which will be placed the goals of service for the semester.

The groups of the Missionary Network will be in charge of continuing the missions already carried out and also will open new doors so that new missions can occur.

Different members of the Missionary Network groups can take turns to form the official missions requested by the Divine Messengers, and thus, enrich their own training for the times of transition.

In the return of the Middle East, the main mission group, under the coordination of the Fraternidade - International Humanitarian Federation, will organize the first Missionary Meeting with those Missionary of Peace souls who are willing to live that training, to provide their service for the balance of the Earth and also so that the group consciousness of this work will be able to meet the needs of rescue where they arise.

As no region of the Earth will be free from living their purification, it is necessary that all be ready to assume their places where there will be the greatest need. In this way, between the active prayerful spirit and the missionary training, you will be able to help many souls to live in peace during the times of greater tribulation.

I will always guide you.

Your Father and Companion, in service and in prayer,

The Most Chaste Saint Joseph
