DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Immaculate Heart radiates Love to the world.

Dear children,

Today I invite you in a special way to unify your hearts to the Light of My Maternal Love that also springs in the Center of Devotion in Medjugorje.

For this reason I invite you to pray for all the Marian Centers where My Immaculate and Helpful Face(*) is present for the life of all souls.

As the Queen of Peace today I call you to pray lovingly for all the pilgrims who, united to My Immaculate Heart, make an effort to live the science of faith and the devotion of the heart.

My Maternal Heart descends one more time upon this world, as also day to day, through My announcements in the daily messages.

Today, My little ones, My Immaculate Heart reflects itself upon the Marian village of Medjugorje.

Therefore I am inviting you to enter into the Kingdom and the Spirit of My Peace that are present in Medjugorje. There, it has been thirty years, and here in the Americas, five years, that God has been sending Me towards you to teach you to live in daily communion with My Son and to live in reconciliation and peace. Souls easily forget the essence of these important attributes for the heart.

Dear children, today I invite you to remain within the devotional heart of Medjugorje because thus you will find My Maternal Presence in your lives.

Remember that God contemplates the exercise of your prayers, that God expects the greatest effort and giving of the heart from all His children so that the designs of His loving Will are fulfilled.

Therefore, dear children, live Medjugorje as a school of prayer to live the Peace of My Maternal Kingdom.

I thank you for responding to My call for one more month!

Mary, Mother of the Divine Conception of the Trinity
