DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

Dear companions, children and friends in Christ,

I would like to make you understand that when you truly open the doors of your hearts, these doors expand to the Celestial Kingdom, and not only your hearts open at this time, but also all the doors of Heaven, so that the Light of God may descend to the ones who need it the most.

When you pray and feel that your hearts expand, then, children, at this time, do not think about yourselves: think about the planet and deepen your union with God. Do not limit your prayers to your own needs and neither allow this prayer to let you know only the enclosure of your own hearts. Because the time has come for your souls to get to know the sublime worlds, and for your hearts to unite with the Most Sacred Heart of the Father in order to create a bridge of salvation for humanity.

During prayers, no longer think about yourselves, about your own healing or about your own redemption, because - when you ask God for the healing of the planet and for the redemption of the neighbor - you are already living the healing in yourselves and you are already on the path of redemption.

When you pray alone and in the first person, pray as if all of humanity were enclosed inside your prayerful hearts. And when you say: "I", may the principle of unity live in this "I". May the "I" be also "you"; may the "I" be filled by the One Who Is.

The time has come for all of your prayers to be on behalf of the planet. The time has come to achieve the planetary prayer and make of it your permanent work.

Children, you have been called to be instruments of God, and now the Creator comes to give you the Grace of unity with Him so will you become worthy and able to accomplish this mission.

The doors of the Kingdom of God will open before your eyes and your hearts, but before you enter, keep them open, indicating the way to those who have never known how to get there.

When all have already entered and your time to enter and to close the doors comes, you will see that, behind you, waiting for your entry, was the Son of Man, the Universal King, the One who teaches you that, for you to be the first, you will have to be the last.

Your Father and Friend, the One who loves you and teaches you to be true instruments of God,

The Most Chaste Saint Joseph
