**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

In this time you must have a pure heart, and to live with a pure heart you must pray with a totally pure love, and to pray with a totally pure love you must be day by day in the Heart of My Son.

In the end of these times souls are weakened by the influences that they receive from the enemy and from the different states of humanity. This generates consequences, at times irreparable, in many hearts that, within the life of illusion, believe themselves to be on the correct path.

As the Protecting Mother, I invite you day by day to prayer so that in this definitive time your hearts may perceive and may feel what is true, healthy and good for life. If you fall into the normality of this fast time, do not be discouraged, but awaken even more the power of prayer on your lips. And when you feel that you cannot walk, call for the Light of My Immaculate Heart.

If souls read My messages, My words would strengthen them and through prayer they would be able to walk in love and bravery. The souls that in this time live upon this world are not the same as the souls of yesterday. This time of changes and of transformation must be supported by your loving and fervent prayer of the heart.

Dear children, in this way you will help yourselves and will assist many hearts that are crying out for relief and forgiveness. God awaits you to walk at His side in this end of times, and to reach down to the depths of the abyss so that the souls of this world may raise again and reconcile themselves with the Most High.

You, My dear children, are in the time of the definition of the spiritual path of millions of consciousnesses. Therefore, prayer will be a perfect shelter in this time and My Maternal Heart will help you, whenever you call Me.

Dear children, today I give you My Forgiveness and My Celestial Light because I love you and I know what is best for each one of you.

I await you always in prayer.

I thank you for responding to My call!

Mary, Mother of the Divine Conception of the Trinity
