**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

As the Lady of Faith, I intend that your hearts be vigilant when the awaited moment of rescue of hearts and salvation of souls arrives. Your path of prayer will allow you to find the essence in each one of My children, and especially to discover that which their souls are in need of.

My children, opening the Fountain of Mercy, I bring you to My Son to conduct you through the paths of Peace.

Dear children, as the world moves rapidly, much prayer is needed to support the changes that will arise before the eyes of everyone, changes that will define the "yes" or the "no" of all souls.

You are called to walk close to My Son so that you may see the need in all hearts that await the Forgiveness and the Mercy of God.

Dear children, it is time to continue praying because this will alleviate the Heart of Christ, and thus you will be close to His Universal Love. Now you must follow the steps of the Return of Christ so that your dwellings may be united to His Sacred Heart.

Many hearts are waiting for the New Christs, and My ecumenical order, the Grace Mercy Order, forms part of the soldiers of prayer, because today all are called to share the Christic path of the end of times.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
