DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear Children,

Every day the Universe of God comes to meet you to bring you the Holy Spirit of Peace and so that this sacred presence, which is born from Our Blessed Hearts, may express in your lives and in the whole of humanity.

Children, in these days in which humanity is losing its peace, be bearers of the Peace of My Son, a Peace that will free you from all evil, and as His apostles, you will be able to profess and testify to the living of that Peace that is already at a minimum in some hearts.

The world is in a spiritual war, and that is why I come to institute the real path of return to the Heart of Christ; in this way, My children, you will be able to recognize that your school of continuous prayer and continuous adoration of the Living Body of My Son, which is present in the Eucharist, will give you the necessary strength to be able to predicate in these difficult times.

For this reason, children, with the courage and love that characterizes you, go and radiate My spirit of peace; this way many souls that feel alone will return to the Arms of the Celestial Father.

I thank you for responding to My call every day!

Who gathers you together in the Love of God,

Your Mother Mary, Rose of the Peace
