DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Like the dawn of the sun at daybreak, with this universal and imperious force, your lives must be reborn on the spiritual path; thus, at the peak hour of purification, your hearts will be true beacons of light and of love for the world.

Because of this, My children, the first step is to accept and live the purification that is so necessary for all, and for the wounded planet. It will be through your purification and transformation that many doors of hell will be closed and many souls of the world will cease to be condemned.

Thus, the path of salvation will be possible for all of My children, and in time, many hearts will be able to once again find the path of commitment that they had lost.

Dear children, all has just started, the hour is showing that there is a great need of purification, but at the same time, of victory in the life of all who have surrendered in Christ and for Christ.

The essence of this whole process of humankind will be to remain in faith when the world faces its reconciliation with the Heights; at this moment, all will be able to see the Master coming among the clouds.

I thank you for responding to My Call!

Who elevates you to the Heart of God,

Your Mother Mary, Rose of Peace
