**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Remembering the miracle of the Wedding at Cana, today I ask you that, through prayer, your hearts be converted as Jesus converted the water into wine. The mystery of this miracle is to be found in the love that you can have before the Father.

Therefore, children, on this day accompany Jesus in the conversion of humanity which is in need of Mercy and Forgiveness.

Dear children, may your lives reflect the teachings of Jesus in spirit and in essence. May your arms be open, free and prepared to receive those that are most in need of Mercy.

Little children, today I am calling you to live this miracle of the Wedding at Cana in your hearts so that your consciences may live the great example of conversion that My Son realized in the name of the Love of God.

When Jesus converted the water into wine, He was instructing us about how the Love of God converts the impure into the Pure, the irreparable into the Repairable, the faults into Mercy, the darkness into Light. For this reason, dear children, may today your prayer be a new conversion of Cana, a demonstration of the love that each one of you keeps for God.

But this love that you keep must be radiated in brotherhood to all because in this way all will be uniting to the great web of love and fraternity.

Your redemption will begin when you recognize that you are a part of God and that God is a part of you, because in this simple exercise you will be collaborating in the spiritual elevation of humanity.

Therefore, it is important to pray every day, even more so in this time of urgent changes in each one of My children. But if you are under the Light of the Holy Spirit your hearts will receive, once again, the Grace of Forgiveness.

Be in My Peace and seek to be in My Maternal Peace.

I thank you!

Thank you for responding to My call today!

Mary, Mother of the Divine Conception of the Trinity
