DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF AURORA, PAYSANDU, TO THE CITY OF MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

I am the Queen of Families, because My Heart of Mother conceives the spirit of unity between God and humankind.

I am the Mother who helps to consolidate the families, that in these times open to prayer. Families are in need of much prayer, to overcome those moments that are inevitably coming to the world. May the families be a part of the flow of prayer, so that their faults may be purified.

I am the Queen of Families, and I hope that, through prayer, Confession and Communion, they may achieve the new Christic patterns that will be essential in these times.

I am the Mother that cares and protects the families that adopt Me as their Governess. As the Mother of all, I can intercede and work in the hearts of all of My children.

On this day, may the families remember the Sacred Family of Nazareth, faithful workers of the Plan. May your souls imitate the untiring example of Saint Joseph, the infinite Love of Mary and the kindness of the little Child Jesus; in this way, your families shall be formed according to the spiritual model God expects.

Today the families of the world are divided by modernity and false affections; the world of the family believes it has advanced, but this, children, is not true.

While time goes by rapidly, families are losing their innocence and fidelity to God. Open your eyes and look to the model of the Sacred Family as an example of charity, of service and of doing good to others.

Let your families become temples, impenetrable to any influence and strengthened by faith and prayer, do not be a family of the new era; be a family of the true Christianity.

I thank you for responding to My call!

Who is in prayer for all the families of the world,

Your Mother Mary, Rose of Peace
