DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Praised be the God of the Universe! Honored be His Holy Name because His Presence and His Mercy will save you.

While the Father sends Me every day to remove you from the illusion and to patiently teach you to accept the transformation and to live it, on the other hand, My adversary tries to destroy the nuclei of Light that I have built in the consciousnesses that have already defined themselves, for life, to follow My call and My path to Jesus.

So it is, dear children, that the perversion, the obstinacy and the lack of control of the human desires will knock at the door of all the disciples, but do not open it and only recognize that the time has come of the intense purification.

While the hearts define their spiritual life and their evolution, ask the Universe for the powers of Grace, of Mercy and of the blessed gifts that made the Sacred Family a unique project for humanity.

While the values of spirituality and family get lost by being substituted by impulsive actions and decisions, the adversary takes advantage of the moment to weaken in the consciousnesses the importance of living holiness and thus change it for a liberal life.

In this state is humanity and the majority of souls that still have to define their steps towards Christ. Therefore, a first and great battle will take place within each being, to confirm themselves or to lose the possibility of following the Project of God before the Apocalypse.

Dear children, with all the legions of Archangel Miguel, we are in prayer, asking for the souls to perceive that the whole planet is in a hard and constant battle.

To safeguard your paths and for you to be more protected from all adversity and temptation, I ask you to you invoke Me and that you call your guardian angels with determination so that the contrary currents will be dissolved with the entry of the Light of God.

I pray continuously for all My soldiers to fight with Me in the liberation and redemption from all the planetary evil; this battle is the preamble of triumph of My Immaculate Heart.

I thank you for responding to My call!

Who prays with you and for you,

Your Mother Mary, Rose of Peace
