DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

My dear children:

At this time in which humanity loses sight of its ascension, I invite you to pray every day for humanity to be elevated.

Dear children, it is through the currents of the groups of prayer that the planet finds a little relief; relief from everything it lives due to the infractions of the depredatory hands of humankind upon the Kingdoms of Nature.

It is so, dear children, that through the groups of prayer I forge columns of light present on the planet for the moments of transition and of purification. This also relieves the planetary consciousness that is very intoxicated by the noises and modernities that hypnotize the consciousness of the people.

In the 21st century I come to take you away from the illusion and for you to strengthen the union with the spirit and with God Father. In this way, dear children, your hearts will be open to hear and feel the call that comes from the Universe.

It is in this acute time of the planet that humanity will define its next cycle and, from there, it will walk towards a next destiny and spiritual stage; all this before the return of My Son to the world.

I thank you for responding to My call!

In prayer and love,

Your Mother Mary, Rose of Peace
