DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children:

The warm maternal embrace that I offer you every day is for the souls to recognize the great and infinite Love of God.

The warm and loving maternal embrace that I offer you is for your lives to be reborn in Christ.

It is through the warm and loving maternal embrace that I redeem your hearts and lead you to peace.

Who can resist this great and warm maternal embrace?

The Love of the Father transforms, restores and relieves everything if the soul simply opens itself to live this experience of love.

Dear children, a loving and warm maternal embrace is missing for all humanity, for it not to feel lost or distracted. Therefore, children, look for My maternal embrace, so you will imitate the little Jesus when He was in My arms in each moment of His life, also after the Cross.

See, then, how the maternal embrace solves many things, even those that seem impossible. The souls must risk to feel themselves loved and not to forget the perfect path that constitutes the Love of God.

Be in My arms with hope and joy, much will still be relieved when you recognize and adopt My holy maternity.

Now and always I wish the best to all. I wish peace and redemption for all of My children of the world.

I thank you for responding to My Call!

In a perpetual embrace,

Your Mother Mary, Rose of Peace
