**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Today, by the Will of God, an uninterrupted year of daily apparitions and Daily Messages of Love is fulfilled.

For this reason, dear children, today I tell you that the ever Blessed Virgin Mary will announce Her words of Love and Redemption for all Her children for a while longer.

Dear children, on this day I announce to you that God has asked Me, from today on, to communicate My instructions to you on Saturdays and on the days of the apparitions.

My children, after a continuous year of Graces received, My Maternal Heart asks that you look within your hearts and that you grow from within through My Redeeming Peace.

Therefore, dear children, may this day be for you a day of synthesis so that you can keep in your hearts everything that God has given you through My Immaculate Heart. From today on we will meet daily through the prayer of the heart because the world is waiting to receive the Mercy of My Son.

I give thanks to My children, those who accompanied Me to Medjugorje a year ago, for having pilgrimaged with devotion and love, because this state of love, radiated from your hearts before God in Medjugorje, allowed Him to send Me in order to guide you during a whole year of great changes.

Dear children, on this day all the groups of prayer and all souls receive as a task to pray week by week so that you may wait on Saturday for My Weekly Message, which will be transmitted in an apparition to My visionaries.

My children, the moment has come to grow and mature from the heart so that the soldiers of My Son may be prepared for the time that will come to humanity.

Dear children, once again I place you all in My arms, to offer to God the voice of your prayers, that have helped in the conversion of humanity.

In the next year of 2013 I will visit you by means of My Motherhood and from the Heavens, twice a month, on the 13th and the 25th of each month so that together we may accompany the descent of the Holy Spirit that will help humanity.

Little children, rejoice today because, for one year, My Immaculate Heart has triumphed due to your response to My maternal call. The celestial choirs, together with your hearts, are praising the One and Only God during all this day.

I thank you for responding this whole year to My call for peace.

Mary, Mother of the Divine Conception of the Trinity
