DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED ON THE BUS EAGLE OF LIGHT, DURING THE JOURNEY FROM THE CITY OF DURAZNO, AND THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Children,

With the Purpose of God in your hearts and with the experience of having felt Him and of having been active participants in His Plan of redemption and rescue, try every day not to move backwards and not to turn back to the common way of human living.

May each day conduct you to a new stair, always to the High, always to a deeper and truer union with God.

May the commitment of the servers expand and may you be true servers of the Plan, working for a planetary mission and not just for a personal consecration.

Children, this Work, for which you have been called, differs from all the others already carried out by the Divine Messengers because we are trying to awaken a planetary mission that may involve not only a few, but that may expand to include all those who have committed themselves with the birth of the New Race in these times.

By means of this Work, we are awakening those, among the 144 thousand, who will create the bases of a new world and who will not hesitate to unite themselves to the universal life and to the cosmic reality, which the majority of human beings sought to ignore.

We are trying to bring to the human consciousness the higher living that approaches it to the part of the Creation of God that lives and manifests only to comply with His Will. Because of this, beloved children, the Divine Messengers are intensifying the participation of all in missions of prayer and of service on the whole planet, so that not only you may feel them in your hearts, but that all your being may participate in the renewal and in the redemption of this planet. May, furthermore, your cells awaken to the fullness of complying with the Will of the Creator and that, thus, they may erase from the human hereditary registers the constant tendency of separating themselves from the divine Life to live under the guidance of their own will.

Today I will ask you to be attentive to Our guidance and, with joy, to respond to the higher Call. Gradually, you will understand that a universal and divine Plan is being designed by means of your simplest actions that are however sincere and full of the aspiration of attracting the Kingdom of the Heavens to this world.

Each day, renew the consecration of your lives to the Plan of God. The truer you are in this intention, the greater the Grace that will come to your help.

I thank you and bless you, so that you may keep taking fertile steps in this moment of leaving, on the ground of the Earth, the sprouted seeds of the New Time, of the New Race.

Your Father and Companion,

The Most Chaste Saint Joseph
