DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE CITY OF SAO PAULO, BRAZIL, TO THE CITY OF MADRID, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am the Mother of the oceans and through them I mirror the inner light upon the world.

I am the Lady of the oceans and through them I radiate the codes of renovation.

In the great oceans there are points of light that form a large net that communicates with the fountains of Grace. The oceans capture the principles of these fountains, and the prayers of all those who unite themselves to Me are deposited in these places to generate states of peace, harmony and mercy.

I am the Mother of the oceans and through them I unify the consciousnesses with the Purposes of God.

I am the Mother of the oceans and protect during the trips those who cross them.

I do not cease to take care of the light that exists in the oceans because it helps humanity widely.

Through the great oceans the Will of God is established, and all those who unite themselves to the consciousness of the oceans can feel the inner peace.

Thanks for responding to My call!

Who unites you to the principle of All,

Your Mother Mary, Rose of Peace
