DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF SANTA FE, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS?

May the heart of each server of this Work of love unite and merge, forming thus only one heart. May the unity among praying beings build the unity among nations and prepare them for a new time, an Earth without frontiers, without divisions.

Children, the unity that comes from God ardently aspires to live in each human heart, it is enough that you open the doors to them and that, with your actions and intentions, show the Creator that you aspire to live His Principles.

While the storms have not yet reached all fields, sow, among the herbs that have already been born in this world, the principles of a new life. Unite yourselves without distinctions, pray and cry out for the nations of the world.

Time has come for the Americas to be the cradle of a new life, but other nations will depend on the union of your hearts to be able to have an opportunity to remain on Earth and to evolve under divine Laws.

This is the moment for you to heal your wounds, to forgive and to be merciful so that you can be reborn as a humanity without so many burdens of the past.

After teaching you the path for transformation, I see now, children, that many do not take the steps to which they so much aspire because their souls are prisoners of pains and wounds that, so often, consciously, they do not know. Therefore I asked you for the campaign Sowing Love in Humanity. As long as there is rancor in the human heart, this campaign must continue.

The Divine Messengers are working in many nations at the same time and we call you to follow Us consciously so that in the name of the whole of humanity you may live a renovation not only as individuals, but as a race.

The moment has come to live a more profound healing that transcends one's own heart and that goes within the consciousnesses of the nations. Because so it is that one's own transformation and learning of love will have repercussions in the evolution of the planet and will give you new opportunities to fulfill the Will of God and to follow His Laws.

Children, I ask you that if you want to grow as spirits and as servers of the Plan, you do not only listen to Our Words, but that you act and live them. Truly pray for the nations, ignite your hearts and sow the principles of a new life.

I will be beside each one of you in this sowing, and soon we will collect the fruits of a new humanity.

Your Father and Friend,

The Most Chaste Saint Joseph
