DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS????

Contemplate the infinite Mercy of God and make known to the world this Divine Fount that rescues the souls and conducts them to the path of redemption.

Announce the Divine Mercy not only with words and prayers; be an announcer of this Mercy with your actions, with your gestures, with your feelings, with your thoughts.

Be merciful; give yourself to all the ones in need, and even to those who do not deserve - especially to the latter, give the best.

God is pure and infinite Mercy. This world is the living fruit of the Divine Mercy and all the souls that inhabit in it are children of the Divine Mercy.

You, child, from spirit to matter, are a result of the infinite Mercy of the Creator and today He calls you not only to receive Mercy, but also to give it. Give Mercy and find out, in this way, the essence of the Love of a God that hopes to be united with His creatures.

Be merciful, searching for the need of your neighbor, forgiving and having pity on all the souls and on all the Kingdoms of Nature.

Be compassionate and, more than that, be merciful. Give the best to the ones who do not deserve. In the place of a just punishment, give your love.

When the creatures are merciful, they send a living sign to the Universe, so that the Creator may open the doors of the fount of His Divine Mercy. But if humanity does not search for, does not clamor for and does not live Mercy with one another, how will this Divine Source be able to pour out its balm over the Earth?

If the humanity only keeps committing the same mistakes, without true regret; if it does not know and does not search for the Creator, not in the Heavens neither in their neighbor; if it only judges their brothers and sisters and does not forgive their mistakes, how will another Law but the Divine Justice be able to descend?

Be like the Father not only in essence, but also in actions and, in this way, He will send to the world - through the door of your heart - that which the world needs.

Mercy is a Law that never ceases to exist, but - for it to express and to go into action - you must clamor for it, search for it and live it.

Your Merciful Father, servant of the God of Mercy,

The Most Chaste Saint Joseph
