DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN ESTEVE - MONTSERRAT, BARCELONA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear Children:

In My Arms, as the Mother of Mercy, I sustain those who have become lost from the path of Christ, and just as once I had Jesus in My arms, He Who died for you, today I supplicate to the Celestial Father for His Divine Piety.

The Father concedes to Me again the Grace of liberating and of forgiving those who fell into error, into pride and into deep ingratitude.

As the Mother of Mercy I intercede for these souls because they are My children, those which I want to bring towards the true peace, towards the redemption of life and of the heart.

As the Mother of Mercy I gather from the Calvary of each being the miseries that fell when walking with their own cross, and with My maternal Light I transform darkness into light, incomprehension into wisdom, and sadness into sheer joy.

As the Mother of Mercy I convert that which is impossible for this world and I heal the wounds that no one is able to spiritually heal, because the Father has given Me the Grace by which as the Mother of Goodness I may assist My children, all those that open their hearts as to find My Love.

Dear children, the defeat of pride in a heart is the greatest gift that a soul may receive in this time when pettiness, blindness and corruption hypnotize the path of the souls.

When this pride is broken by the staff of God, Divine Justice is established and the soul does not receive that which in truth it would have deserved, because when the mask of pride is broken the purity of the heart is born.

Have pure hearts and love; love much because in love My adversary does not have his reign except in the hardened hearts and minds.

Give permission so that the love of the heart will spring like a flame through prayer, and let the old structures fall to the ground so that in this way the flower of the heart be able to open.

Express every day infinite gratitude to the Creator and you will be on the correct path.
As the Mother of Mercy, I am here to assist you and to conduct you to the Celestial Father.

I thank you for responding to My call!

For the mercy of the entire planet,

Your Mother Mary, Rose of Peace
