DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children in Christ,

The power that adoration to the Blessed Sacrament has is unknown to the world.

My Son is truly present in the Eucharist and mainly in all the hearts that, having confessed, receive the Eucharistic Body of Christ.

In each adoration, just as in each new communion, the essential union between the Spiritual Universe and the material one can be established, and a great amount of divine gifts can embody in the hearts of those who are most simple. It is through adoration that the Kingdom of God is established, and in this way, the laws renew the principles of the life of holiness and service.

Children, in adoration is found the great portal to the Heavens, where your souls can enter into communion with God the Highest, of the Universe. Through sacred adoration of the Eucharistic Body of Christ, the doors to evil are closed, and the angels help in the liberation of collective and mental disorder.

Dear children, being before My Son requires surrender, trust, and humility so that the true principles of faith, which are based on love and devotion, can be active in your lives.

Children, if humanity observed for one moment the importance of adoration of the Christ and looked less at the computer, I assure you, My dear ones, that humanity would be far from punishment for so much cruelty and wickedness.

Therefore, you who are more awake, be ambassadors and adorers of the Living Body of Christ, so that on Earth a thread of mercy will exist that will gradually reverse many things. The decision is in your hearts.

I thank you for responding to My Call!

Who meets you in the sacred adoration of Christ,

Your Mather Mary, Rose of Peace
