DAILY MESSAGE OF MARY, ROSE OF PEACE AND QUEEN OF THE NATIVITY OF THE LORD, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

My very dear children:

On this day that is holy for many Christians and people who pray in the world, humanity arrays itself with the luminous emblems of a Christmas with the Lord. But I cannot refrain from telling you, dear children, that the other part of the world, which is the majority of My children, will be captured by the sharp claws of My adversary, who hopes to expand the sinful taste of their ambitions and of their desires through the licentiousness that My little children will experience, since they are far from the manger of the Lord.

Year after year this repeats itself; the unconsciousness of what really happens in the spiritual life of all who immerse themselves in these realities is very great. For the last two days Your Heavenly Mother has been in perpetual prayer so that all those who deny the powerful nativity of Jesus have the opportunity of awakening at least at the last moment, before death.

Dear children, it is My spiritual and most pure wish that today, on this day of prayer, you lovingly direct all of your prayers to all those who will forget God and His Beloved Kingdom.

Dear children, pray with Me today so that the Divine Spirit of Christ will also be poured out over all of the families of the Middle East, those who need a ray of love and of peace in their suffering hearts.

On this night, the Angels of the Nativity will be present in all of the most holy tabernacles on Earth, adoring the sacred birth of the Lord. This will be carried out at the request of the Heavenly Mother so that I may intercede for those who will distance themselves from the Heart of the Celestial Father.

Dear children, tonight I would like you to dedicate your offering for the sake of the lack of consciousness that exists in humanity, and in this way, with your little spirits, you enter the sacred stable of Bethlehem to announce to the world that Jesus lives, now and always in the open hearts of all human beings.

In prayer and in adoration of this sacred moment, let us unite with the Divine Essence of Christ, so that on this night the Lord can eradicate from this planet all of the impure spirits that wander across the world, seeking the spiritual perdition of souls.

United to the Consciousness of the Sacred Star of Bethlehem, open the doors of the Heavens so that today the angels may be present in all of the homes of the world, so that the Truth and the Peace of God can reign between families.

Today I wish to send My Christmas blessings to all of My little ones of the Community of Nova Terra (New Earth). I thank them for the simple offering they made to Me, and I remind them that I

will always be Their Mother and spiritual Protector.

I thank you for responding to My call!

Who blesses you from the celestial firmament by the Sacred Star of Bethlehem,

Your Mother Mary, Rose of Peace
