**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE
MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO
CORAZÓN?**

Dear Children,

Heavenly Graces must not be wasted, but this can happen when the soul that receives them forgets to emit the true spirit of gratitude.

Even though the spirit of gratitude is not in the consciousness that receives such a gift, the simple fact of saying: "Thank God", opens a door for the consciousness, through charity, love, and solidarity towards others, to find the direct path towards gratitude.

Many of the souls present on the planet do not know what it is to feel grateful, and this is not through omission, but because they never knew the divine codes that lead hearts into searching for the essence of gratitude.

The world will not be able to be healed without gratitude, without a true gratitude that floods the soul and makes it worthy of more Graces in spite of its sins.

There may be an extremely sinful soul, but if it comes to receive an extraordinary state of Grace and gives thanks for it, I assure you, dear children, that this soul will be saved.

The state of gratitude is born of the reverence and the love for how much one receives, and I do not speak only of good things; it could occur that the Father send you a test to overcome as a Grace. That is the point at which many stop; they remain stationary spiritually speaking.

When God sends you an inner exam that you must take, and you resist because you do not want to overcome it or face it, frustration occurs because it is not the way the consciousness needs it as its most absolute preference. This does not let it learn how to love and skips a step in evolution. Know that everything will not be experienced and understood the way the consciousness prefers.

God is a mysterious source of experiences and nobody can change the form of learning. It is time for you to trust, because if you trust and let yourselves be guided without resisting all the time, you will learn the lesson that you need without suffering.

Accept the Grace and be grateful.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
