**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE
MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?**

Dear children,

When I open the door to Heaven, your souls are able to rise up to the Kingdom of God and detached from material life, from all that torments you, and mainly from that which separates you from My Son.

It is thus that your Heavenly Mother, committed to helping you walk on the Christic Path, comes to prevent many things, especially so that the flocks of Christ do not separate from the Purpose.

The time has come for each one of the sheep to find freedom from the prison that kept them imprisoned spiritually. For the doors to liberation to open, first, your hearts open to Mine must aspire to increasingly separate from the abysses that the terrestrial consciousness generates.

Dear children, facing all of your miseries in these times will allow your spirits to be empty of everything and never again full of your small wills.

I only ask you to hold tight to My mantle so that the rays of My Heart can illuminate your steps and in this way get out of the abyss in which, for some reason, you placed yourselves.

The most important thing, My children, is that you live repentance, but not as an obligation, because if you do not live the true repentance of the heart, there will be neither peace nor calm when facing so many storms.

I am Your tireless Guiding Star, which wants to see you clean and free from your ideas so that the Heart of the Lord may finally reign in you, a Heart that is noble and humble, a Heart which died for you and which was resurrected to show you the power of infinite love.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
