MESSAGE FOR THE APPARITION IN PORTO ALEGRE, BRAZIL,

TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS:

Dear children of Porto Alegre:

Today I come as a Fisherwoman of hearts just as My Son Jesus, so that all My children may become gentle and peaceful. As a Star of Light of the sea I direct your souls towards new ports in which they can find the Promised Land where My Son is found.

Dear children of Porto Alegre, I thank you for answering to My call for Peace, because your hearts now must be unified to My Maternal Heart by means of the prayer of the heart. You, My dear children also may be fishermen and fisherwomen of empty hearts, of sad hearts, of lonely hearts, of needy hearts and of hearts lacking in love, through the prayer of the heart.

You as servers of the Heart of Christ may conduct the more in need of Mercy to the great port where is found My Son, because He will be served by your sincere and simple hearts, as a fisherman is served by the boat to throw the nets. In this way, dear children, your prayers in this time are as the nets of salvation for the souls that need the forgiveness of God.

Each act manifested through your union with prayer has repercussions in an important way upon the reality of the planet.

For this My children, today I invite you to form your hearts as fishermen and fisherwomen of souls, souls that must be in the arms of My Son in this time. Your loving works of charity, prayer and service will help in the conversion of these souls.

Dear children, in your exercise of charity you will be as My son, fishermen and fisherwomen in the high seas that will throw the nets to open the doors of salvation and you will know new ports, those which will bring you to find the doors of the Promised Land, the Kingdom of God on Earth.

Dear children in times of emergency I call you to answer the One Will of God, a Will that may be diffused by means of prayer of the heart.

My children, you are called in this day to live your conversion and to help in the conversion of many hearts. Elevate the standards of Peace as are elevated the sails that impulse the flow of the boat. See in your inner horizon the coming of the Mercy of God, await in prayer for the coming of the Holy Spirit, a necessary gift for humanity.

I thank you all, My children of Porto Alegre for opening the paths so that all may hear My call!

I bless you.

Maria, Mother of the Divine Conception of the Trinity
