DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF ÁVILA, CASTILLA Y LEÓN, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear children:

I thank you for the prompt response of all to My maternal call. You already know that, as the Mother of humanity, I long for the best for each of My children, because My ardent wish is that nobody misses the opportunity to meet with God and to know His true Love.

In the next six months of prayer you will be able, if you assume it in your consciousness, to find the path that I will make you know, the path to be in Christ permanently and not to leave it.

Dear children, this cycle of continuous prayer that I am calling you to live is to banish the planetary inertia and everything that leads constantly to the perdition of the souls.

I would like, My children, that your hearts find in this cycle the flame of faith that will help you to live the tests and deal with the challenges for the Plan of God.

My children, in the following six months I will be with you praying daily in each place where you may be, without ceasing any moment to bring you to My Heart for you to feel peace. If the world would respond promptly as you have responded to My call, many planetary and human situations would be avoided by the angels of the Universe.

Dear children, when a heart or more responds to My summoning I can work through it, not only in prayer but also in charity, humility and in Divine Mercy.

Awaken at this time those who are still asleep and tell them that there is a grandiose Celestial Mother who loves them and hopes to have them in Her arms to shed over them all the love of the Universe.

Tell them to have determination and valor to abandon sin, the human indifference and omission.

Tell those who sleep to encourage themselves to listen to Christ in their interior and to allow prayer to heal and to redeem them.

Tell them, My children, that the Divine Mercy is still available for all those who want to look for it and to discover it in the source of the Heart of Jesus.

I thank you for responding to My call for the world peace!

Who loves you and always follows you.

Your Mother Mary, Rose of Peace
