DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE LAKES OF DORNES, FERREIRA DO ZÊZERE, SANTARÉM, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

Dear children,

After a heart opens to find its original purity, it finds peace.

This is why, dear children, that in this time, souls that live in peace manage to express their purity to the world, which helps in the extinction of the evil that it generates through its actions.

I invite you on this day to seek this purity within yourselves, and to not miss the opportunity to find it again; in this way, you will provide an impulse for your brothers and sisters to also be bearers of purity, which will save the world from its constant moral and social self-destruction.

My children, as Your Mother, I remind you of the importance of your lives becoming future seedbeds for those who must remember that they were created by the essence of the Purity of God.

When you take the definite step for your hearts to become lighthouses of the world and of original purity, everything will then be able to be regenerated, even before the glorious coming of Christ.

In spite of everything, do not cease to think about the fount of this original purity, and in this way, My children, you will also be helping the world.

I thank you for responding to My call!

For the awakening of original purity,

Your Mother Mary, Rose of Peace
