MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Dear children,

On this day I want to bring the flame of My Divine Hope to your hearts, a harbinger of faith in the hearts of the world.

Just like the Sun that shines in the center of the Universe, My Heart descends to the world to illuminate the abysses within and outside of beings, and thus be the guide for each consciousness moving toward the Most Sacred Heart of My Son and the Creator God.

I return to the world crying out to the hearts to live the awakening, because the Plans of the Most High God have still not been fulfilled on this sacred planet, and the majority of souls are not seeking the correct path to the goal that God has given them.

I ask you, My beloved ones, to go deeper into the path of prayer, so that you not be in a praying state only during your moments of liturgy and attunement. I want you to make your lives a permanent prayer.

If, in prayer, you ask for the Forgiveness of God for the world, then live forgiveness all the time.

If you cry out to the Father for His Mercy when you pray, then be merciful in each act, word, and thought.

If, in prayer, you ask of God for the Kingdoms of Nature, then take care of the kingdoms that are closest to you and radiate the love that you ask of God for these little bearers of Divine Consciousness.

If, in prayer, you entreat for the poor and for the helpless, for those who are in deceit and in ignorance, for those who live with lies and errors, then, dear ones, when you meet a sibling who lives all those things, love them and be as the hands of God that carry peace and celestial help for all those in need.

I do not ask you to do great works, because a pure seeing and a true smile can bring the presence of God to beings in a way that no great work would do.

May each one, within your possibilities, live your prayers with acts, thoughts, feelings, and words.

May God find in you, My children, a doorway to enter the world.

Indoctrinate through the experience of the word and make the power of your prayers more potent through being a living manifestation of prayer in the world.

I love you and leave My maternal blessing for My beloved children of Venezuela, who in prayer and perseverance wait for Me, trying to understand what they experience in this time, and learn

from it all.

Now, My beloved ones, strengthened by My presence, may you help others so that they may find My Immaculate Heart and the Most Loving Heart of My Son.

May Peace and the Mercy of God be in all the hearts of the world.

Never lose peace and the hope of seeing the Plans of God fulfilled on this blessed Earth.

Your Mother Mary, Rose of Peace
