DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????

Dear Children,

While the doors to the Mercy of God are open, in this year of a new Jubilee I invite you to really be able to adopt in your lives acts of mercy to replace the acts of indifference and of rejection in the human consciousness.

As the doors of the new Jubilee of Mercy are piously open for all souls, Your Mother of Mercy wishes to see your hearts full of the Mercy of God.

Dear children, there is still much to be forgiven and redeemed within you; be more intelligent than My adversary and submerge in the ocean of Mercy of My Son in time, so that soon your faults will be more balanced in the eyes of the Law of the Lord.

Truly, I am inviting you to have your souls, day by day, recognize the time of the Mercy of God, which comes to a meeting with a perverted humanity that is distanced from the essence of its true purpose. But if there are more and more hearts that, in repentance and forgiveness, ask for this Celestial Mercy, human pride and arrogance will be replaced by divine and holy humility.

Dear children, take advantage of this moment of important atonement; many things will be able to be repaired through the prayer of the heart, and through your prayers, the Heart of Your Celestial Father will have a reason to help you and set you on the path to the good.

I thank you for responding to My call!

Who raises you through the Mercy of God,

Your Mother Mary, Rose of Peace
