**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN????**

While the Real Time of the Universe stops each time a Divine Messengers of God descends to Earth, just so should the disciple of Christ stop at the moment he or she is about to receive a mighty Grace; because in the Real Time of the Universe the past does not exist, only the recollection or the memory of an accomplished task.

In the Real Time, resemblances do not exist, but rather equalities. In this Real Time, the path of the Purpose is manifested, the one proposed for all the angels of Light.

Through obedience, the Real Time is accepted, because it is part of the essence and of the experience of evolution.

In the Real Time, forms do not exist; all that exists is the sense of them, so that each angel created can progress in love at the service of God. The bases of this time are the Laws and the creator principles. In the Real Time a scale exists that is recognized by all the angels of the universe. This is the scale of love and of unity; it is something that causes Real Time to move as an experience of evolution.

In these scales are all the bases for experience, because in the Real Time the meaning of everything is in the knowledge that emerges from wisdom and in the service which makes any heart humble.

In the Universe, Real Time does not go by, nor is it static; it is a divinized time marked by the elevation and the transcendence of all created forms.

In the Real Time, the eternal present exists, which is the state of positive permanence; it is the constant unification with the essence and the Purpose of Divinity, of the Source.

The Real Time is a single stream of energy; it is the thread that unites the beginning with the end, so that in the Soul of Creation a harmonious relationship with all that is manifested may be experienced.

The Real Time does not have a memory of events, but rather records of the experiences on a higher scale of vibration. It is an unknown time.

I thank you for responding to My call!

Who guides you towards a deep awakening,

Your Mother Mary, Rose of Peace
