DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN???

Dear children,

Never cease from raising your gaze to the Father, and from the heart, asking Heaven for what you need. You will never lack the help of Divine Providence.

Trusting in this Grace, your hearts will be able to feel and unite with the higher Laws, divine Laws that will bring you to understand life and all of existence with an inner sense.

My children, just as many saints have done, you also will be able to unite with the true principles that point you towards the direct path to fusion with the Celestial Father.

In this time there must be consciousnesses that are awake and interested in discovering the cosmic sense of things. To this end, the path of contemplative prayer is a direct bridge to knowing oneself and for changing some ways of being.

Through the school of prayer, Your Mother leads you into discovering new paths of the Science of God, and in this way, your spirits awaken to the Universe of all of Creation.

Dear children, to uncover mysteries you must love them. Through love you will discover the sure keys that will open the doors to new knowledge.

Humility is necessary to receive these revelations from Heaven.

I thank you for responding to My call!

Who unites you with the Science of God,

Your Mother Mary, Rose of Peace
