### **DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Again and again, as Your Mother and Guide, I make you submerge in the unfathomable ocean of the Mercy of My Son so that all your debts and souls may be washed by the Grace that springs from His Infinite Heart.

Every day I make you approach this great source of extraordinary Graces that My Beloved Son offers, and thus they also reach all hearts in the world.

Today the Mercy of My Heart has brought you here, to this city of Florianopolis, so that the youth, the new apostles, may also be touched by the source of Grace of My Son on some plane of consciousness.

It is not by chance, dear children, that in this next 33rd Marathon, laws and celestial principles will be combined, which will strengthen and unify the mission accomplished here by the groups of prayer, which are united to this Marian and Christic work.

It will be in this cycle of last atonement that the youth of Brazil will have an important mission through their collaboration with the plans of peace of Your Heavenly Mother, and Florianopolis will be, in this case, the epicenter for this mission of youth prayer to start developing itself to a greater degree.

If the plan is carried out in this way, this will significantly help the nation of Brazil, and from there, from each praying and young heart, will spring the spiritual help that is necessary for these times.

Dear children, within young people lies the apostolic seed that My Son left safeguarded a long time ago, and this seed will start to sprout so that they can express their true mission.

In Brazil, the Christian and ecumenical youth is expected to be one of the next pillars of the co-redemptive work of Your Heavenly Mother; for this to be possible, we must pray and wait for visible signs that will awaken this holy task of the youth in Brazil.

I am closely accompanying this purpose of Mine.

I thank you for responding to My call!

Who awakens you to the essence of the mission,

Your Mother Mary, Rose of Peace
