MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF FIGUEIRA, BRASIL, TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS

Dear children,

The avocation of the Merciful Jesus will be the only path that will bring you to the encounter with the Portal of Peace, with the Essence of Peace, with the cure through My Holy Peace.

In the Merciful Jesus you will find the strength that your hearts need and in Jesus your souls will recuperate the inner strength that you have lost from whatever situation in your life.

My Son the Merciful Jesus ardently desires to pour every day His rays of Redemption and Mercy. Jesus observes you and He knows that which you need. He still has thirst for your souls, He still has thirst for souls that will be truthful and loving to His heart and to the hearts of your peers.

For this My dear children know again today that Jesus is waiting for you, that He is returning in victory and in light for this cycle of humanity.

When they persecute you, judge you, discourage you, when your vitality and will are weakened by the lack of love, run to Jesus, He waits for you as the precious and redeemed flock of His Sacred Heart of Love.

My children, Jesus still is offended by all the unjust actions and by all the indifferences, sometimes insignificant, that are committed among brothers and sisters. Humanity is going down and for all of you Jesus is the power of the Redeeming and Renovating Love.

Dear children, as a Mother that also provides the merciful fountain of My Son today I give you vitality from My Immaculate Heart to calm down your hearts from any perturbation, and if you accept to be in My arms you will accept to be with My Son Jesus.

Every day after having peregrinated with My Love around this world, I arise to the Heavens and Jesus asks me: My Mother, Holy Mother of all, how many souls have you brought again to My Merciful Heart?

But sometimes the pain of My Son is so deep to see that humanity is distracted by modernity and forgets to be in God every day.

Because My Heart of Peace originates from your world, Maria, the Queen of Peace intercedes every day for you so that no one loses the path to God, the path that with so much effort you have been building.

For this today turn you lives to Jesus, surrender everything to the Redeemer so that He, in His Unfathomable Fount of Mercy, may wash and purify you in His Love and in His Peace.

My dear little children, now that humanity enters in a new cycle it must leave before the universe the vestments of yesterday and enter into the Temple as essence and purity. For this observe how is

your purity of intention, if it is crystalline as the water and peaceful as the ocean, because if you are in Jesus, if you live in the Heart of the Redeemer I assure you dear children, that you feet will know where to walk.

My children know that Jesus loves you, loves you so much that your hearts may totally satiate the thirst that my Son still lives for all. Open today your arms and forget the past so that your hearts manifest themselves before My arrival, because in joy My Virginal Spirit will renovate you.

I need you.

Thank you for answering to My call for the conversion of humanity.

Mary, Mother of the Divine Conception of Humanity.
