DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

I would like the Peace of God, so necessary for the world, to remain latent and alive in each human heart in order to realize the work of redemption led by My Son.

My children, it is in this way that I guide you towards My Son for you to be able to recognize His Love and His Mercy, important affluents for all the souls of the world.

I would like your lips not to get tired of professing the greatness of the Love of God and of all He realizes through His Infinite Grace. The greatest testimony of your lives is the conversion of the heart, there is registered the triumph of the Plan of God in each human consciousness.

I encourage you every day to rekindle the aspiration of living a fast conversion, because not only your consciousnesses will see themselves benefited, but also the whole of humanity in some proportion will receive this spiritual Grace.

Therefore, truly work every day for this conversion. Thus you will see this crystalline flame that leads all souls and guides them to meet again with the Celestial Father, be born in the horizon of your inner universe. Take courage and say, "Yes, Father, I accept redemption!"

I thank you for responding to My call!
