DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

The Grace of God is what permits all things, it is what permits the manifestation of miracles in the life of souls.

It is the Grace of God that conceives the spiritual life and at the same time the renovations of hearts.

The Grace of God brings the sane joy and the jubilation for living in His Divine Plan. It is this Grace that permits you to know His Will, but before that, it has to be loved with all the heart.

In the Grace of God new paths are built and the doors open for the consciences to live their redemption.

It is the Grace of God that brings the Divine Mercy to the sick world, the one that generates in the consciences the opportunity to live its rehabilitation. In the Grace of God is kept the essence of the divine compassion, the possibility of experiencing mercy and piety for one's own mistakes or for the mistakes of the fellow beings.

The Grace of God deposits in the souls the memory of plenitude and at the same time motivates the consciences to take a step with confidence within the Plan of the Redeemer.

It is this Grace that can embrace spiritually whoever needs it the most, because it represents the indispensable engine for the souls to be able to liberate themselves from their debts and thus reach a state of profound forgiveness.

It is this Grace that I bring for My children at this time, a life raft before the world purifies itself; it will be this infinite Grace which will sustain the New Christs.

I thank you for responding to My call!

Who elevates you to the Grace of God,

Your Mother Mary, Rose of Peace
