**DAILY MESSAGE OF SAINT JOSEPH,**

TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May the peace in the hearts of those who follow God be the visible sign of His Sacred Presence in the world.

May the fraternity and the love among brothers and sisters united for a single evolutionary purpose be the reason of inspiration and of surrender for those who do not know in which direction to walk.

May the unity with God, reached by means of prayer and shaped in all of the instants of life, be the light that illuminates the eyes of those who walk in the darkness.

May the communion with the Kingdoms of Nature, the care and the love for these smaller brothers and sisters, be an example for the human hearts that have lost the hope of finding a new world.

May the love for the Plan of God be greater and stronger in the heart of His companions than their own plans and human tendencies.

May the aspiration for the constant transformation in Christ impel the beings so that they are no longer the same every day and so that they may come closer to God, through their own inner world and also through their conduct in the material life.

May the new humanity no longer be only a prophecy for those hearts that follow God: that it may be a goal to be reached in life with effort, prayer, love and persistence in the truth.

Dear companions of My Chaste Heart, if you believe in My words and have faith in the presence of the Sacred Hearts, then never lose the opportunity of you being different and of walking towards the fulfillment of the Divine Purpose.

More than announcing Our presence with words, I ask you to announce it with your own transformation. The beings of this world need to have an example to follow, even if you are in silence.

If you want that the Plan of God be established in the world, never be doctrinal about something that you do not live. Before you bring the Good News of the Sacred Hearts, at least try every day to live Our words. I assure you that, if you do so, your example of fraternity, charity, forgiveness and reconciliation will go further than if you were disseminating for years a word that did not find life in you.

I      love      you      and      I      impel      you      to      the      experience

The Most Chaste Saint Joseph
