DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Contemplate, dear children, My Maternal Heart flagellated by all the mistakes of the world and by all the sins of indifference and omission.

Contemplate, dear children, My flagellated Maternal Heart, and see how much weight It is carrying to help to transmute humanity.

Contemplate My flagellated Maternal Heart, and relieve It from all the offences that souls of the world commit towards God.

Contemplate My Maternal Heart flagellated by seeing the priests of My Son in a deep indifference and pride.

Who will guide the flocks of My Son?

Contemplate My Maternal Heart flagellated by all the bad thoughts emanated by those who have closed their hearts to the Love of God.

Contemplate My flagellated Maternal Heart full of thorns of ingratitude and evil generated by the souls that commit themselves day by day with My adversary.

Contemplate, My children, My Maternal Heart flagellated by the actions of power over life, unfairly performed by humanity and by the ones who are most conscious.

Contemplate My flagellated Maternal Heart carrying the weight of the mistakes of all those who, in their spiritual illusion, believe that they are doing the right thing and forget the essential, forget Christ.

Contemplate with love My flagellated Maternal Heart and repair It at this time when much mercy will be necessary in order not to awaken the Wrath of God upon the consciousness. At this time, dear children, let us enter into prayer so that everything will be relieved.

Contemplate My flagellated Maternal Heart and share My pain, so that My cry will stop and My tears can be the most pure offer of reparation for all the bad actions committed.

Contemplate My flagellated Maternal Heart and do not forget to be in Me.

I thank you for responding to My call!

Who loves you,

Your Mother Mary, Rose of Peace
