DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

On this day I come to announce to you a special request from the Celestial Father.

With My Heart bloodstained, I come to tell you, My little ones, that the pilgrimage to Central America and Mexico will be postponed for two important reasons: first, children of Mine, for the lack of resources, which up to this date have not been completed.

It is not My intention as a Mother that My children in mission go on a pilgrimage through these nations without the manifestation being completed.

You know, dear children, that the Celestial Father expects all of His children in the world to deeply yearn to help in the plans of peace of your Heavenly Mother.

The second cause, dear children, is that it is not in the consciousness of everyone the feeling of what the Celestial Hierarchy is realizing with the purpose of avoiding harmful catastrophes in humanity and in the world.

The Plan of the Universal Father is to save all of His children, regardless of their mistakes and faults committed.

It is in this way that as a Kind and Merciful Mother I will wait during all the month of October until I will be able to see with My own celestial eyes that your help for the materialization of My work is sincere and real.

Therefore, your Heavenly Mother will carry out a new attempt, the third at this time, to be able to reach Central America and Mexico during all the month of November.

I would like to feel from your hearts not only your beautiful prayers, but also your donations to My work of salvation.

We are in an unusual and definitive time when awakening, redemption and salvation are at stake between chaos and the Kingdom of Light. The triumph of My Heart will occur through the awareness of everyone.

With this purpose, I invite all of My children to renew the Campaign for Peace through the diffusion of the image of Our Lady of Guadalupe, so that in the month of October all of My children may daily offer a mystery of the Holy Rosary, which must be prayed at the feet of My holy image.

I would like to be in every home shining as the Mother of all the people and all the nations.

It is in this way that, in October, Your Heavenly Mother will go on a pilgrimage through Brazil, ardently expecting the Marian mission to Central America and Mexico to be fulfilled during the

month of November.

All those who pray and are charitable will have the month of October to collaborate so that this important work of peace may reach Central America and Mexico.

I ask all of My Children from Central America and Mexico to strengthen themselves because I will be with them, I will keep this promise. Pray everyday to the Guadalupe and thus prepare yourselves to receive Me; I also invite you to be part of the Campaign for Peace.

As it was in My divine plans to visit some regions of Brazil again, this pilgrimage of the month of October will be dedicated precisely to help materializing the mission to Central America and Mexico.

It is in this way that the Celestial Messengers will visit:

- Sao Paulo on the 5th and 6th of October, with the 39th Marathon of the Divine Mercy;
- on the 12th and 13th of October your Most Holy Mother will visit the city of Sao Jose do Rio Preto;
- on the 19th of October Saint Joseph will visit the Sacred House of Mary, Paulista Mother;
- on the 21st of October your Lord will visit the city of Sao Carlos with the Sacred Call,
- and on the 24th and 25th of October your Mother will return to the city of Campinas.

As a consequence, the State of Sao Paulo will be very blessed and impelled to collaborate with the Campaign for Peace, with love and fraternity to all their brothers and sisters of Central America.

Brazil and Argentina are in position to help Me in this Mission of Peace for the month of November.

I thank you for loving the Will of the Father and accepting it; I expect your adherence of heart!

Who loves you,

Your Mother Mary, Rose of Peace
