DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The return of the Guadalupan to Central America and Mexico

At the feet of the Tepeyac, Your Heavenly Mother prepares Her task with all the souls and hearts that will receive from Me the essence of love and redemption.

It is the return of the Guadalupan...

Through the help and collaboration of all, your Mother of Heaven will descend to the Mexican lands and to Central America, where the history of My presence and of the liberation of the indigenous peoples and of all the slaves was recorded.

It is the return of the Guadalupan...

At this moment, dear children, accompany Your Holy Mother in this pilgrimage, so that, for the second time in the history of humanity, I may stamp My Holy Liberating and Redeeming Face of Guadalupe on the precious souls of My children of Central America and Mexico.

It is the return of the Guadalupan...

Because of this, with rejoicing and joy, you, My children of Central America and of the world, will open the doors of your hearts and of your nations so that Your Mother of Guadalupe may enter and carry out the sacred mission of preparing the consciences for the return of My Beloved Son.

It is the return of the Guadalupan...

With the voice and the chant of the holy angels, the Governess of the Americas, the Holy Mother of God, rejoices because She will be able to meet Her children of Central America again, to pour on them Her Graces and to deliver to them the blessed Spirit of My Peace.

It is the return of the Guadalupan...

I will go to Central America to heal old wounds, past histories of pain and suffering; at last I will be able to make My dear children be born again; I will be able to remove them from the illusion of the world and I will open for them the eyes of the soul and the consciousness, so that all can see and feel Me.

It is the return of the Guadalupan...

Opening your hearts to receive Me, listen to the voice of the Mother of the Americas, a voice that summons you to the consecration of your peoples and of your nations, so that peace may reign and thus the error and the outrages to the little hearts may end.

It is the return of the Guadalupan...

During the month of October, I will place My crown of twelve stars over Central America and Mexico and I will pour My twelve universal attributes, so that souls may receive the codes of rehabilitation and conversion.

It will be during the month of October that Your Heavenly Mother will cease the spiritual and material war and, together with the Face of the Lady of the Most Holy Rosary of Fatima, we will enter in prayer so that those lost and the imprisoned may attain liberation.

It is the return of the Guadalupan...

You will see the flags of all nations of the Americas wave.

They will be put at the feet of Your Heavenly Mother, as the symbol of the surrender of the peoples before My Immaculate Heart and as the union between cultures through the Love of God.

It is the return of the Guadalupan...

Happy are those who recognize Me as the Holy Woman of Nazareth, thus I will bring to all the awareness of the importance of the triumph of the Plan of God for these times and of the awakening of hearts to My last call.

You will see My Work fulfilled no matter what, because My Immaculate Spirit will give inner strength for the servers to comply with My petitions.

It is the return of the Guadalupan...

Each culture will ask for forgiveness from one another, each nation will reconcile with each nation, if the hearts open in time to glimpse the Love of God, which will be filling them, because in Central America the door will be closed and souls will not get lost anymore, as they will have awareness not to do it and to convert themselves.

It is the return of the Guadalupan...

On this day, may all embrace the mission of Your Heavenly Mother and may hearts not forget to cooperate, to collaborate and to lovingly donate so that the Plan of Peace may be fulfilled. Thus, I teach the Church how to use its goods in the name of the Greater Plan and not in its own name, because souls wait for spiritual help.

May all be balanced. May all be just for the good and for the future of the New Humanity.

It is the return of the Guadalupan...

I thank you for accompanying and supporting Me in the Mission to Central America!

Who blesses you from the heart of the Tepeyac, Your Guadalupan,

Mary, Rose of Peace
