DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN JOSE DO RIO PRETO, STATE OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I return to your lives as the Mystic Rose for you to honor My Immaculate Heart and for you to yearn for it every day.

I return to your lives for you to help Me to remove, with your prayers and sacrifices, the thorns nailed on My chest and the swords that the world has placed in Me with all its offenses.

Dear children, I come to sanctify you and so that from now and forever My religious ones may be an example of Heaven on Earth.

I come to help and liberate you from the abysses that My adversary imposes with each test that he plans.

As the Mystic Rose I return for you to contemplate My Heart and all the mystery of Its Love that is kept within it.

Dear children, I return on this day for you to feel the Mystic Face of your Mother, the one that contemplates you and prays for your salvation and redemption.

At this hour, I come to distance My children from the danger and the harassments that My adversary projects with the intention of destroying all of My plans.

Remember that I am this Mystic Rose that shows itself to you as the only true and natural, spiritual and divine beauty for the souls.

I come to banish hatred, rage and temptation from the consciousnesses.

As the Mystic Rose, I return to help you to establish the Divine Peace.

I thank you for receiving Me.

Who sanctifies you,

Your Mother Mary, Rose of Peace and Mystic Rose
