DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM SAO PAULO, BRAZIL, TO BOGOTA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Peace, only peace, in this way, peace will be established between nations.

For this reason, My children, I visit nations to pour out My holy Peace over them, the Peace which flows out from My Heart and from My Soul, the one which I wish you to live through My Divine Consciousness.

Today I remind you of that divine Peace, because My children of Central America and of Mexico will seek It and will also proclaim It.

Feel peace and you will be instruments of peace in the world; this will bring the inner harmony that is needed so much by the entire world.

Today I observe your effort to always be in God, and this effort is recognized by My Immaculate Heart because through effort many souls, especially those who surround you in this moment, are touched by My spiritual Grace and by My Maternal Love.

Dear children, when you touch the ground of each nation, remember to confirm My Peace, because in this way I will be able to leave My Maternal Light in each soul.

I am happy and I pray for this pilgrimage, which has already started to work in the inner and spiritual planes; this greatly helps the consciousness of the nations, especially the nations that I will visit.

Dear children, once again I leave you My Peace so that you may live It.

Onward, My little ones!

I thank you for responding to My call.

Who accompanies you always,

Your Mother Mary, Rose of Peace
