MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY THE BLESSED VIRGIN MARY TO SISTER LUCÍA

Dearest Children,

After almost six years of Apparitions to My visionaries and more than one year of public Apparitions, the hour has come to perceive and live the fruits that My Heart has left in the hearts of each one of you.

The return of My Son the Redeemer is closer than you can imagine, and He will come to take back the Gifts that he has deposited, as a potential, in the sheep of His flock, gifts that are being awakened by the Grace of the Holy Spirit.

My dear, when the hour of the Meeting with Christ comes, He will show His new Face and bring within His Hands the Universal Talents that will be given to those who persist. In exchange for these codes, which will prepare you for the New Life, Christ will search for a flock awakened in the gifts of the Holy Spirit. In this way, My children, each one must discover, in the depths of the heart, which Gift must be offered to the Redeemer.

Some will awaken to the Gift of Humility, through a heart that fully recognizes the Power and Magnitude of God, a heart that knows and experiences that everything that exists on Earth comes from Him.

Others will manifest the Gift of Charity, through a heart that discovers God in its brothers and sisters and, in the unceasing search to meet the Living Christ, will search for the Redeemer in each creature and will serve the Supreme Father through His children, rendering an eternal service in all of their actions.

Some will awaken the Gift of Comprehension, through a heart that can perceive the inner moment of everything that is around them, without judging anything, because of knowing the truth about everything and understanding it.

Some sheep will become shepherds through the Gift of Discernment. They will know the correct path along which to conduct the flock before the arrival of the Redeemer and, through this Gift, they will encounter Christ, among the many that will pretend to be the renewed Christ.

There will be those who will awaken the Gift of Love and through It they will even love the enemy and will give to the Darkness the opportunity of converting into Light. They will be the last to offer their Gifts in the times of tribulation because, through this Gift and this great conversion, the plans of God will be accomplished.

Many sheep will live the Gift of Peace and through It will protect many other sheep, and they will not permit the fading out of the Gifts in the hearts of their fellow sheep.

A Great Gift that the Lord hopes to awake in His creatures in this time is the Gift of Faith, because the sheep of Christ that live this gift will be kept upright in any circumstance, and will never lose

their trust in the Lord, in the certainty that He knows and conducts everything. And, through this Gift, they will sustain many other sheep united to the Flock that search for the Great Shepherd.

It is for the awakening of these Gifts, My children, that My Heart comes, day by day; it is so that you can have them in your hands when the Lord will be before your eyes, searching for what He gave you, for you to awaken and experience it in this time. It is to live these Gifts that your little beings are on the Earth in this moment, and to bring them beyond the Earth, when you will be requested to do so.

There exist many other Gifts to be experienced. It is only necessary that, through simplicity, you turn your hearts to this offer and allow yourselves to live this truth that today I bring to you, because there is no longer much time.

Empty your hearts and do not have fear for everything that you may feel, because an empty heart is something unknown to many in this world.

In order for your hearts to learn, I can tell you something:

Jesus had already ascended, and He left to Us a great Mission, which we did not know how to carry forward. Until the day when God came to Me, when I was in prayer with the female disciples who were accompanying Me, and He asked me to go to the Apostles.

I did not know what would happen. When we gathered, we felt the deep emptiness that the departure of Jesus had left us with. The only sustenance for Our hearts was the blind trust in His words and in His promises. We placed ourselves in a deep silence and offered this emptiness to God, we offered all the days that remained for us and, finding our hearts empty, sincere and trusting in His Grace, the Lord sent His Spirit and, to all of us, He gave the Gift of Wisdom.

In this moment, we were filled with a Wisdom that was not from this Earth, that came from Heaven and contained the Wisdom of all peoples, all languages. In this way, filled by the Holy Spirit, we left to accomplish the Will of the Father, strengthened by Him. Nothing was strong enough to deter us.

This is, My children, what is offered for you to live in this time, and especially on this day.

I bless you, so that through this Grace your hearts may feel and live the opportunity that was announced to you.

I thank you for responding to My Call.

Mary, Mother of the Divine Conception of the Trinity.
