DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN JOSE, COSTA RICA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

With both crosses in My hands¹, dear children, today I come to testify to the Presence of My Son in the hearts that still do not live this.

These crosses represent the liberation from human and materialistic illusion; for each one, they are the protective shield against all adversity and deception.

I want and I wish this symbol of the redemptive cross of Christ to be honored and venerated in Central America, so that it may be more safeguarded and protected from the temptations of My adversary.

I impose over this place the spiritual symbol of the crosses, so that humanity from this part of the planet may not be driven into making big mistakes, such as other sister nations are experiencing at this time.

I need this luminous cross to be the greatest treasure for each of those who pray, to be the celestial magnet that attracts the principles of redemption and of liberation for a corrupted humanity that is very far from the truth.

I want each one of My lost children with Me, so that in this cycle the majority may have the opportunity of repenting and of forgiving.

You do not know, My children, how My Heart suffers on seeing precious souls far from God.

It is time that we do something for them; it is for this reason that I come to Central America, so that My children will be able to find Me again through My dear and devoted simple hearts.

I thank you for responding to My call.

Who is united with this Sacred Mission,

Your Mother Mary, Rose of Peace
