DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

While My feet walk in Venezuela, I ask you for more inner prayer, that your power of prayer be concentrated in the proclamation and in the spiritual request so that this situation may calm down.

Especially to the Venezuelans, I ask that you be peacemakers of Christ in this moment; this will be your test and your exam before the Father and in the face of so much inequality.

I am making a request for piety, My children; do not try to confront or to oppose all that My adversary generates; the essence of everything that he causes is to tempt souls so that they may miss their chance of evolving.

This is why the time has come to prepare the islands of salvation, so that the immigrants and the castaways may find a place where they can begin their life again.

It will be the mission of the children of Mary to activate this network of prayer for Venezuela, offering all possible efforts to your Heavenly Mother; above all, My children from Brazil have this task so that this nation that is so dear to Me not be colonized by chaos, which is experienced in many nations.

Now we are entering the hard tests for the nations in these times. With hope and love, raise up your prayers, despite all that happens; thus I, as the Mother of all, will be able to be closer to receive you and guide you toward the Purpose of Light.

I love you and want you not to get involved with evil and with all that it does; evil has its end, because it does not know or understand love; on the contrary, Light wins because Light is in the Eternal Love of God.

I thank you for responding to My call.

Pray for the Americas,

Your Mother Mary, Rose of Peace
