**WEEKLY MESSAGE, TRANSMITTED BY THE HOLY VIRGIN MARY TO SISTER LUCÍA**

My dear children,

I come on this day to renew in the heart of each one of you the commitment that you have with Me. This is the time in which your hearts must make a permanent effort in order to be unified with Me, because in this time, My children, in which your hearts can receive Graces that never were never imagined to be possible, also the enemy has permission to tempt you and at every moment seek to put out the flame that I have lit in your hearts.

My Immaculate Heart and the Sacred Heart of Christ search, at each moment, to maintain your hearts as close as possible to Us. We seek to keep your little beings, each day, in Our arms of Forgiveness and Mercy, but this must also be a decision of each one of permanent union with Us.

My children, this is the time of great tests, but also of great impulses. Your hearts must choose only where they will be sustained, because God never will abandon you. My Heart sends in this time infinite Graces, which never before could be lived by the beings in the planet.

It is in this way, My dears, that your hearts must search the support, the food, and the sustenance of your being in these Graces.

Take a look in the depths of My eyes and find there the key to transcend each test, to find the Will of God in each happening in life, and in order to discern when an impulse comes from My Heart to transform you and when it comes from the enemy to knock you down.

I love each one of My children and if you trust in this love you will find the force to accomplish everything that I have asked you for in My Messages and in the inner of each one. The only thing that today I ask you, My dears, is that you be persistent and trust, that you pray with Love, so that God may hear your prayers and may answer to the appeal of your beings.

My Heart wishes to be each time more close to you, as also wishes My Son, and for this it is necessary that My words do not become a routine in your lives. Believe in My maternal presence and trust in My Call of Peace because through My intermediary you will find My Son, and through Him you will arrive to the Father.

I thank you for answering to My Call.

Mary, Mother of the Divine Conception of the Trinity
