DAILY MEESAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF MANAGUA, NICARAGUA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When your Heavenly Mother visits the nations of the world, and especially their peoples, it is to deactivate the spiritual chaos that reigns in the human consciousness; a chaos that feeds on suffering, indignation, and pain.

Thus, from time to time, at the request of My Most Beloved Son, I send you on a mission of peace, so that My plans of love and of redemption may be fulfilled in humanity.

Each time that I visit a new nation, a fraction of the human condition is transmuted. It is for this reason that your Mother summons all Her instruments incarnated on the planet so that spiritually and without any condition, only for the love of Christ, you may help Her to liberate earthly hells with the goal of avoiding a third social war in the Americas.

With simple actions and pure prayers, your Most Holy Mother collects all supplications of the planet to place them at the Feet of the Creator, and in this way expand His infinite and most powerful Mercy where it is most needed.

In the face of the great and last planetary imbalance, dear children, I invite you to keep truly praying, in a spirit of effort that cannot be measured or valued.

Dear children, I invite you in the name of humanity to embrace the sacrifice for the victory of My Immaculate Heart.

In this way we will avoid that millions of ignorant souls blind to the true spiritual life should lose the opportunity of awakening before it all happens.

With My celestial gaze, I am accompanying and helping you, seeing the inner effort of all; this is why I thank you for helping Me every day.

Who shelters you with Her Light,

Your Mother Mary, Rose of Peace
