DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF WEED, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

An Anniversary of Graces for the Planet

Today, from the altars of Heaven, your Most Holy Mother offers at the Feet of the King and Creator all the works accomplished, all songs offered, each effort made in matter and in spirit for the divine realization for the elevation and healing of humanity.

In this way, My beloved children singers, the Universe celebrates and communes of today's meeting, which will close a cycle of apprenticeship and challenges, to begin a new cycle in which music, instruments, and voices will become essential in the moment of the transition of the Earth.

The Mother of all choirs, in the bliss of Her Spirit, today celebrates all the fruits attained from the moment in which your consciousnesses said "yes" to My call for the elevation and healing of humanity.

On this sacred day, where the Holy Chalice of Christ spiritually shines at the very top of Mount Shasta, I ask you, dear children, to offer this meeting as the moment in which to make an inner synthesis, after all the steps you have taken in faith and in brotherhood.

Thus, on this day, My children, your Heavenly Mother makes this offering to God as the symbol of the union of souls with Him, as the Grace that has descended, month after month, and within which the planet and the consciousness of humanity have been freed from many evils and extremely serious events that would have been irreparable.

In this way, My beloved singers, the Universal Mother of elevated and eternal music joins with each one of your hearts so that, being renewed by My impulse of love, your lives may be offered for the rest of your days to sing to the Eternal Father as an act of reparation and absolute surrender to His Divine Heart.

The Source of all Graces, which comes from My Immaculate Heart, will be open so that through your song you may implore for the redemption of a sleeping humanity.

For this Christmas that approaches, dear children, the Sacred and Divine Family will be among you, in each heart as well as in each home, to renew you in love and mercy.

Lastly, I would like to tell all My dear prayerful ones of the whole world that, at this Christmas, just as Jesus offered Himself to be born and live among the most simple, I ask that you, My beloved ones, offer your immediate collaboration so that the Plans of the Divine Messengers come to their complete fulfillment within the United States, because afterward, there will not longer be an opportunity.

I will be grateful if each one of you, placing your hand on your hearts, may feel and believe that the

arrival of the Divine Voices of Heaven to Oklahoma, Miami and Orlando will be imperative, as they are places that need the powerful Mercy of God.

United to each singer, united to each voice and to each server of the Plan of Love of Christ, I bless you, My beloved children, in the Glory of the Father, the Son and the Holy Spirit.

I thank you for always corresponding to My Plan of Love.

Your Mother Mary, Rose of Peace
